

## **Cinturato™ P1™ VERDE**

 CAR —  SUMMER —  URBAN

CINTURATO™ P1™ Verde offers good control in both dry and wet conditions while assuring a comfortable driving experience.

The new materials and innovative compounds, together with aerodynamic sidewalls and low weight have allowed a reduction of rolling resistance, especially in urban situations.

### **HYBRID MATERIALS AND INNOVATIVE TREAD PATTERN DESIGN**

More safety on both wet and dry conditions

### **OPTIMISED TREAD DESIGN WITH SPECIFIC PITCH SEQUENCE**

Quietness inside the vehicle

### **TENSION CONTROL AND NEW MOULD PROFILE**

More comfortable driving experience

### **NEW MATERIALS AND INNOVATIVE COMPOUNDS, AERODYNAMIC SIDEWALLS AND LOWER WEIGHT**

Lower fuel consumption and CO2 emissions
